EUHA Congress 2023

Thursday, October 19, 2023, 11.30 CEST

Dear investors and analysts,

Sonova cordially invites you to attend our EUHA Investor & Analyst presentation, which will be hosted by our CEO Arnd Kaldowski. We look forward to present our latest innovations. The event will take place at the Nürnberg Convention Center, the venue of this year's EUHA Congress.

Please note that the presentation will not be webcast, but the slides will be available for download at www.sonova.com/presentations.

As in previous years, we will also organize a separate booth tour that will let you experience our technology firsthand. Please kindly note that the slots for the booth tours are limited and will be allocated on a first come first serve basis. Additional information about the tour will be provided upon final registration.

If you are interested in attending the presentation or participate in one of the booth tours we kindly ask you to contact ir@sonova.com by Wednesday, October 4, 2023, latest.

We are looking forward to meeting you in Nürnberg.

Kind regards
Your Investor Relations Team
