We will host a presentation on the launch of the new products of our Sonova brands, followed by a short Q&A session. Afterwards I am looking forward to meet with you in person.

The presentation will be held in English. Anyone who is unable to attend will be able to download the presentation slides from our website at www.sonova.com/en/investors/presentations.

We hope you will be able to join us and look forward to seeing you on Thursday, April 4, 2013. Please reply by email or by fax using the registration form attached. Note that there will be no individual or group meetings at the AudiologyNOW! congress. Thank you for your understanding.
